# cable®

allow your product  
or message to take  
centre stage

Versatile and virtually effortless to install, Cable® is a stylish, minimalist suspension display system allowing an entirely unrestricted view of your display material.

To create the feeling of space and a contemporary feel to any display or merchandising environment you cannot go past Cable® from ASI. A suspension cabling display system, Cable®'s unique multi-functional componentry allows for both horizontal and vertical suspension using a single component resulting in a diverse range of display possibilities.
